MEMORANDUM FOR: Deputy Director for Intelligence

**SUBJECT : Participation by Mr. John K. Vance in the
Inspector General's Survey of NPIC**

1. I am most grateful to you for detailing your Assistant Director for Central Reference to my office to assist us in our recent survey of the National Photographic Interpretation Center, at the expense of Mr. Vance's own important work.

2. The knowledge and competence Mr. Vance brought to the job made him an indispensable member of our survey team. His contribution was outstanding in every respect. I had the highest regard for John during his tour of duty with the Inspection Staff. This regard has not diminished--quite to the contrary.

3. It would be appreciated if you would bring this memorandum to his attention. A copy has been forwarded to the Director of Personnel for insertion in Mr. Vance's Official Personnel Folder.
